

Try A New Experience! Surf The Net For Lent!

Please enjoy these sites. To the best of my knowledge they contain orthodox catholic teaching and useful information for Catholics. However, when surfing the net you must be cautious -- not all sites which call themselves "Catholic" are reliable. If you find something objectionable from a Catholic viewpoint in any of these suggested sites, contact office2@ladyrosary.org. We will make corrections in any future editions of our recommended sites. Some Bible, healing and stewardship sites listed here are non-denominational but appear to be free from doctrinal error and are included because they contain useful information. If you would like an electronic copy of this document which contains 30 additional pages of Catholic sites, e-mail us at office2@ladyrosary.org and we will send it as an attachment.
