The Bullycide Project is a 90-minute theatrical production written to further the awareness of bullying and bullycide. Based on the book, "Bullycide in America," compiled by Brenda High and written by mothers who have lost a child to suicide due to excessive bullying, this bullying prevention presentation will be performed for Davison students in grades 9-12 on January 30 and students in grades 7-8 on February 6. We invite parents and the community to attend this compelling presentation so we can all work together to prevent bullying.

*Because of the serious subject matter, this presentation is not recommended for children in sixth grade or younger.*
